# General Information

## Academic Appeals

Students on academic suspension who wish to return to Columbia State must complete the online academic appeal process. For additional information, including the academic appeal process and deadlines, visit [ColumbiaState.edu/sap-review](https://ColumbiaState.edu/sap-review).

## Academic Standing and Grades

It is the student's responsibility to be aware of grades and academic standing. For details, contact your academic advisor.

A student on academic probation who does not meet the current term GPA or combined GPA during the next term enrolled will be suspended. **Students currently on suspension from any school are not eligible for probationary status at Columbia State.**

If a transfer or reenrolling student is admitted on probation or has been previously suspended from any school, the retention standards must be met each semester or suspension will occur. Be aware that any transfer credit posted will not be calculated in the overall combined GPA or GPA hours.

## Account Management

All admitted students receive a Columbia State PVT. This username is used to access student email, ChargerNet, D2L, Office 365, Teams, OKTA, and other applications.

## Advising

Academic advising is recommended each semester to ensure that you stay on track for graduation and are registering for courses that apply to your program of study (CPoS). Please contact your College Success Advisor or Faculty Advisor to review your progress, work out a schedule of classes, obtain program updates/changes, and seek help in making academic decisions, and determination of graduation readiness. Getting advised early will allow you to register for classes on time during early registration.

**Advising is required for new freshman and new transfer students before registration. Advising for currently enrolled students may be required.**

## Auditing

Admitted students who wish to audit a class should email [Records@ColumbiaState.edu](mailto:Records@ColumbiaState.edu) and indicate which class they are wanting to audit, and provide the CRN# for the course. Audit permission is given based on space available and/or discretion of the division dean. Learning support courses may not be audited.

Audit students are required to pay the same fees as those enrolling for credit, except for those 60 years or older and/or disabled persons, who will have reduced fees.

## Catalogs (Online)

Columbia State's catalog is available online at [ColumbiaState.edu/catalog](https://ColumbiaState.edu/catalog). Prospective or currently enrolled students can view offerings by using links on the right side of the screen.

## Change of Address or Name

Students are responsible for maintaining current addresses, phone numbers, legal names, and other information with the College. Information on this can be found by logging in to **myChargerNet (myCN)**, use the left side menu for **Student**, and then find the icon on the right for **Update Personal Info**. A permanent change-of-address should be submitted with the U.S. Post Office in addition to notifying the College of a change of address. Legal documents will be required to complete a name change.

For FAQs and forms, visit [ColumbiaState.edu/records](https://ColumbiaState.edu/records)

## Change of Major/Program

Choosing the right major or program can be challenging, and many students make the decision to change their majors during their academic careers. Students who wish to make a change to their current curriculum must meet with their current College Success Advisor or the college advisor of the proposed new major/program. To view current major/program, visit [ColumbiaState.edu/Programs](https://ColumbiaState.edu/Programs)

## ChargerAlerts

This emergency notification system is used to send text and emails to those in the system. The system allows students, faculty and staff to receive time-sensitive emergency messages and inclement weather alerts in the form of email, voice and text messages. Learn more at [ColumbiaState.edu/charger-alerts](https://ColumbiaState.edu/charger-alerts)

## Class Attendance/Engagement

A student is expected to attend/engage in each class for which he/she is registered. Students should not attend or engage in classes for which they are not officially registered. Columbia State does not require faculty to take attendance at each class period, even though some faculty may choose to do so. Therefore, participation may be confirmed by an academic-related activity.

Faculty must confirm attendance by the census date; which is 14 days after the term starts. If an F grade is reported at the end of the semester, faculty must report the date of the last academic-related activity (source documentation required). Non-participation can adversely affect receipt of financial aid and scholarships and may result in repayment.

**Students who stop attending or engaging but do not officially withdraw may receive a grade of FA, which may negatively impact financial aid and scholarships, including lottery and loans.**

## Class Cancellations and Changes

The College reserves the right to cancel any class when the number of students enrolled is deemed insufficient. The academic departments will notify students via college email.

**NOTE:** Students receiving financial aid or Veteran benefits are encouraged to contact the appropriate office to determine if their aid will be affected.

## Class Cancellations Due to Weather

Check the College's home page at [ColumbiaState.edu](http://ColumbiaState.edu), check your college email, and sign up for ChargerAlerts in myChargerNet (myCN) to be notified of campus closings.

## Clubs

Columbia State invites every student to get involved. Find your people by checking out student clubs, organizations, and programs at [ColumbiaState.edu/campus-life](http://ColumbiaState.edu/campus-life)

## Confidentiality of Student Records

Columbia State regards a student's academic record as confidential. The release of information contained in the record is governed by federal law known as the Family Educational Rights and Privacy Act (FERPA). If you have questions concerning the provisions of this act, please contact the Records Office at [Records@ColumbiaState.edu](mailto:Records@ColumbiaState.edu) or 931.540.2581.

## Course Load and Enrollment Status

A student's enrollment status is determined by the number of credit hours taken per term. For assistance, students should contact their academic advisor.

## Coursework Toward Program of Study (CPOS)

Students may only receive federal financial aid, state aid, and most Columbia State scholarships for coursework that counts toward unmet

requirements in their officially declared program of study (major). Dropping or not attending can affect your eligibility for current and/or future aid. For more information, visit our FAQs at [www.columbiastate.edu/financial-aid/paying-for-college/cpos.html](http://www.columbiastate.edu/financial-aid/paying-for-college/cpos.html)

## DegreeWorks

DegreeWorks is available on myChargerNet (myCN) by selecting the **Student** link in the left menu and clicking the **DegreeWorks** icon under Student Services. Your degree evaluation will display based on your current degree program. The **What If** option allows you to see how your courses will apply if you change your program/major or are thinking about adding another major/concentration.

**Students are encouraged to run a degree audit each time that registration occurs or when changes occur to their declared major to ensure that program of study, and as a result, financial aid eligibility is not jeopardized.**

## Drop/Add/Late Registration Policy

Students will be allowed to drop or add courses provided they do so within the course drop/add period.

Students who stop attending but do not officially drop or withdrawal may receive a grade of FA, which may impact financial aid and scholarships, including lottery and loans.

**NOTE:** The drop dates for courses that meet for a shorter period than the part of term beginning and ending dates will be adjusted based upon the course drop dates for the part of term.

- **Dual Enrollment** students must contact an Enrollment Recruiter by emailing [Admissions@ColumbiaState.edu](mailto:Admissions@ColumbiaState.edu) or calling 931.540.2790.
- **Student-athletes** must obtain permission from their coach before adjusting their class schedules.
- **International** students must email [Admissions@ColumbiaState.edu](mailto:Admissions@ColumbiaState.edu) or call 931.540.2790.
- **Veterans** should consult with Financial Aid before dropping and adding to find out how it will impact their benefits.

## Eligibility Verification for Entitlements Act (EVEA)

The Tennessee Eligibility Verification for Entitlements Act (EVEA) requires proof of U.S. citizenship or lawful presence to receive state benefits for all new or reenrolling students.

The term "state benefits" includes in-state tuition, lottery scholarships, academic scholarships, Academic Common Market, or any other form of tuition assistance or waivers funded with state-appropriated dollars. State benefits do not include tuition assistance funded privately or privately endowed scholarships.

For a complete list of documents and more details about the Eligibility Verification for Entitlements Act, please visit [ColumbiaState.edu/evea](http://ColumbiaState.edu/evea).

**If you are eligible and wish to receive state benefits and are not planning to complete a Free Application for Federal Student Aid (FAFSA), documentation can be submitted.**

## Email

To help protect your privacy, Columbia State will communicate with you using the **college email** account given to you during your admission to the College. Faculty may also communicate with you through your **D2L email** account. It is your responsibility to check your Columbia State email accounts, read emails sent to you, and respond using these accounts. Use your college email for communication to and from faculty/college offices. To find additional types of financial aid, please visit [ColumbiaState.edu/financialaid](http://ColumbiaState.edu/financialaid)

## Financial Aid Satisfactory Academic Progress (SAP)

One factor in being eligible to receive federal and some state and institutional financial aid (including federal loans) is maintaining Satisfactory Academic Progress (SAP). Three areas monitored in SAP are grade point average (GPA), passing percentage (Pace), and maximum attempted hours.

For financial aid purposes, the Office of Financial Aid must monitor a student's GPA, which can be a different measurement than what the Registrar's Office uses for academic purposes. Federal regulations also require the Financial Aid Office to monitor a student's passing percentage (Pace) and attempted hours. Withdrawing from courses, which may not negatively affect GPA, can cause a student to fall below an overall combined pass rate of 67% or reach his/her maximum attempted hours before graduating. If a student fails to meet one or more of these measures or if it is determined that it is mathematically impossible to graduate within allowable time, students can lose eligibility for financial aid.

All students are **STRONGLY** encouraged to read and understand the Financial Aid Satisfactory Academic Progress Policy. To read more about SAP, visit [www.columbiastate.edu/financial-aid/fa-policies/sap-review-appeal.html](http://www.columbiastate.edu/financial-aid/fa-policies/sap-review-appeal.html) Understand the rules so that you can maintain your financial aid.
