Columbia State is again pleased to host **High School Competition Day on Friday, March 21, 2025**. A World Geography competition is included in the day's activity, and we hope that you and your school's World Geography faculty will encourage student participation.

Because we would like to make our scheduling arrangements as soon as possible to minimize the chance of conflicts with regular college classes, we would appreciate a response from your school by the announced deadline. Registration for your school must be received by **Friday, March 7, 2025**. We must limit each school to **only three participants** in the geography competition.

The Geography test will cover all world geography topics and will consist of seventy-five multiple choice questions. A short essay will be graded in the event of a tie.

We appreciate your cooperation and look forward to seeing your students and representatives on our campus on **Friday, March 21, 2025**.

For additional information, please contact Dr. Deborah Miller.
